

# NATIVE OAK CHAPPARAL SPECIES PLANT LISTS

Scientific Name	Common Name	Plant Type	Height	Bloom Period	Picture
<i>Achillea millefolium</i>	Common yarrow	Forb, PF (butterflies, bees), DF, DR	8-6"	Summer	
<i>Bromus carinatus</i>	Lemon's needlegrass	Grass	7.5-32"	Spring	
<i>Amelanchier alnifolia</i>	Western serviceberry	Shrub, PF (butterflies, bees), DT	5-20'	Mid Spring	
<i>Arbutus menziesii</i>	Pacific madrone	Evergreen Tree, PF (butterflies, moths, hummingbir ds), DT	15-100'	Spring	
<i>Balsamorhiza sagittata</i>	Arrowleaf balsamroot	Forb, PF	8-36"	Mid-Late Spring	
<i>Bromus carinatus</i>	California brome	Grass	1-5'	Spring	
<i>Bromus laevipes</i>	Chinook brome	Grass	5'	Spring - Summer	

## NATIVE OAK CHAPPARAL SPECIES

<i>Castilleja</i> varieties	Indian paintbrush	Forb, PF	2'	Spring - Summer	
<i>Ceanothus cuneatus</i>	Buckbrush	Shrub, PF	3-12'	Late spring	
<i>Ceanothus integerrimus</i>	Deerbrush	Shrub, PF (bees)	3-13'	Spring-Summer	
<i>Cercocarpus</i>	Mountain mahogany	Shrub	8-20'	Winter, Spring	
<i>Collomia grandiflora</i>	Grand collomia	Forb, PF	18"	Mid Spring – Mid Summer	
<i>Corylus cornuta</i>	California hazelnut	Shrub	3-50'	Spring-Fall	
<i>Dichelostemma capitatum</i>	Blue dicks	Forb, PF	6-27"	Early Summer	
<i>Elymus glaucus</i>	Blue wildrye	Grass	1-5'	Summer	
<i>Eschscholzia californica</i>	California poppy	Forb, PF, DT	6-16"	Spring-Summer	

## NATIVE OAK CHAPPARAL SPECIES

<i>Festuca californica</i>	California fescue	Grass, DT	1-4'	Spring, Winter	
<i>Festuca occidentalis</i>	Western fescue	Grass, DT	3-4'	Spring	
<i>Garrya fremontii</i>	Bearbrush	Shrub, PF, DT	9-13'		
<i>Iris chrysophylla</i>	Yellowleaf iris	Forb, PF (butterflies, hummingbirds), DR	2-8"	Late Spring	
<i>Madia elegans</i>	Common madia	Forb, PF	3-36"	Summer-Fall	
<i>Mabonia aquifolium</i>	Oregon grape	Shrub, PF (butterflies), DT, DR	1-4'	Spring	
<i>Pinus ponderosa</i>	Ponderosa pine	Evergreen Tree, DT, DR	40-223'	Spring	
<i>Plectritis macrocera</i>	Longhorn plectritis	Forb, PF	2-30"	Mid Spring	

## NATIVE OAK CHAPPARAL SPECIES

<i>Pseudotsuga menziesii</i>	Douglas-fir	Evergreen Tree, DT, DR	40-246'	Spring	
<i>Quercus chrysolepis</i>	Canyon live oak	Tree/ Shrub, DT, DR	30-90'	Spring, Winter	
<i>Quercus garryana</i>	Oregon white oak	Deciduous Tree, DT, DR	20-90'	Spring	
<i>Quercus kelloggii</i>	California black oak	Tree/ Shrub, DT, DR	20-120'	Spring, Winter	
<i>Rhus trilobata</i>	Skunkbrush sumac	Shrub	1.5-8'	Spring	
<i>Senecio integerrimus</i>	Lambstongue ragwort	Forb, PF	8-30"	Late Spring – early summer
